LAST MINUTE GCSE MATHS REVISION DAYS 2008 Higher Level

Ace Tutors is pleased to announce that we will be holding GCSE Maths Revision Days on the weekend before each major exam.

Sat 17th May: Revise GCSE Higher Maths (non-calc paper) 10am – 4pm

Sat 31st May: Revise GCSE Higher Maths (calc paper) 10am – 4pm

There will be a lunch break and short breaks. Lunch is not provided by us. Students should be prepared to stay longer in case the day overruns.

Further information:

Venue: Furzedown Project, 91-93 Moyser Road, SW16 6SJ. (corner of Moyser Road and Nimrod Road. Enter via Nimrod Road)

Cost: £89 for each day attended.

Syllabus: The material is suitable for all syllabuses but there will be an emphasis on the Edexcel Linear syllabus.

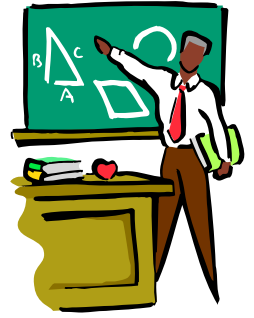

Tutor: Vijay Bhuchar, BSc (Hons), BA (Hons), PGCE. Director of Ace Tutors since 1995, Mr Bhuchar has taught Statistics at University College London and Mathematics at Tiffin Boys Grammar School, Kingston. He has also been an examiner for A Level Maths as well as a team leader of other examiners. He now distributes his workload between tutoring and acting as a consultant for schools as well as delivering weekend and holiday revision courses. In addition, he has started recording his courses for use on the internet.

Notes: These classes are aimed at Higher Tier candidates who have a realistic chance of a grade B, A or A*. Higher Tier candidates who only have a realistic chance of a C grade are advised that the majority of the material covered is of B, A and A* standard.

Correspondence Address: Vijay Bhuchar, Ace Tutors Educational Services Ltd., 93a Pendle Road, Furzedown, London SW16 6RX.

Testimonials from GCSE Higher Level Maths courses held in 2007

“This is an amazing course”

“This course definitely exceeded my expectations and I have learnt so much in just a few hours. We covered a lot of material and I would certainly recommend it” LC

“I felt that this course was a great help and it has made me feel a lot more confident. This is an amazing course and I would recommend it to everyone” IC

“Very helpful and thorough, a day well spent” GB

“I feel that I learnt a lot and I hope that the course would improve my grade. I recommend this course to anyone. I will consider coming on further courses” SP

“I think that I feel more at ease with topics that I didn't understand, and it is reassuring to know that we have gone through the syllabus, especially so near the exams.” HB

“I feel that I can achieve an A grade. I would recommend this course to a friend and I would consider coming on an A Level course. This was value for money and it was fun”* SK

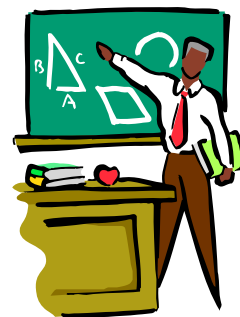

“I learnt many things I had not previously known... The CD also helped me to practice some of the questions done on the course.” AW

“It really helped; really good way to have a crash revision session just before the exam. Felt much more prepared for the exam.” EP

Of all the students we were able to follow up, every student who attended a GCSE Higher Maths course last year scored either A*, A or B without exception including at least one who was predicted a D by her school.
